'Introduction'

India one of the largest shrimp exporters in the world, we Pasupati group located East Coast of India, have strong integrated business of Shrimp-seed, Feed, Farming and export. We are grabbing the position as one of the growing & leading exporter of shrimps out of ten best shrimp exporters in India.

We produce our finest quality in our world class seafood factories through quality control procedure meeting the most stringent of international standers.

We diversified our products range as per customers choice. Our certified product range: ASC, FSSAI, HACCP, EU, USFDA, BAP, BRC, ASC-CoC, SEDEX-SMETA, HALAL.

Our specialties- Own firm fresh materials || own logistics || best expert team || own supply chain of seed, feed probiotics || well & fully controlled traceability || own advance processing factories with capacity 70 MT per day.

We believe in quality through control which by the underlying principle behind our process.

Pasupati Group is ethically committed to environmental and social impact as well as to underdeveloped community.
